Implementation

Timeframe

Please indicate your interest in participating in the WasteSorted Bin Tagging Program for the following financial years.

☐ 2025/26

☐ 2026/27

Bin tagging is usually best undertaken during late summer/autumn to minimise the risk of precipitation.

Is your Local Government able to implement a Bin Tagging Program between **February to May**?

☐ Yes ☐ No

If you responded no, please specify an alternative timeframe for consideration: _____

Number of Households

The Waste Authority has indicated a minimum number of households to be audited per Local Government for bin tagging. However, if your Local Government is not able to commit to this it does not preclude your Local Government from the Program.

Is your Local Government able to commit to auditing at least **2,200 households**?

☐ Yes ☐ No

If you responded no, please specify an alternative number of households for consideration:

☐ **Local Government logos** meeting the above requirements have been provided in the same email with this application form.

Drop-off Points

A number of materials cannot be collected through Local Government kerbside bin systems. If your Local Government has the following facilities this information is included in the bin tag design to assist residents.

Household Hazardous Waste (e.g. light globes, paint, household and garden chemicals etc.)

Address: _____

E-waste

Facility Name: _____

Address: _____

Local Government Contact

A contact phone number is included in the bin tag design. Please provide the most appropriate phone number for residents to call seeking more information on disposal options or to enquire about the Program.

Phone Number: _____

Container Deposit Scheme

Container Deposit Scheme (CDS) materials are still being disposed of in kerbside General Waste bins. Information about the CDS is included in the bin tag design with the aim of encouraging households to collect and return their CDS materials to a Refund Point. If your Local Government operates a Containers for Change Refund Point and would like to advise residents of its location, please provide details as indicated below.

Facility Name: _____

Address: _____

Local Government Contribution

WALGA has funding from the Waste Authority to assist Local Governments to implement the WasteSorted Bin Tagging Program, however this funding will not cover all costs. Each Local Government will need to provide an in-kind contribution to assist with bin tagging.

What will be your Local Government's in-kind contribution? Consider the resources required for implementing the Program including staffing, administration costs, vehicles etc.
