

LGANT Partnership

WALGA has a formal agreement with Local Government Association Northern Territory (LGANT) to provide industrial relations, employee relations and human resource advice to Northern Territory Local Governments.

This agreement is recognised by both WALGA and LGANT as being to the mutual benefit of their respective members, who have a commonality of interest in providing high quality industrial relations and human resource management services to Local Governments.

WALGA provides to LGANT members the following services:

- I. employee relations, human resources and industrial advice, which includes termination of employment, award and enterprise agreement interpretation, disciplinary issues, long service leave, payroll, and contracts and policies;
- II. information about rates of pay and conditions of employment;
- III. review of contracts and policies and drafting minor amendments as required;
- IV. provide advice and advocate on behalf of NT Local Governments in any industrial commission or tribunal matter in the Northern Territory, subject to a cap on advocacy hours;
- V. distribute email alerts on general advice, legislative updates and developments in case law;
- VI. provide access to the subscriber only section of the WALGA Employee Relations website which hosts template documents;
- VII. represent the interests of the NT Local Government Sector in any award modernisation or review process; and
- VIII. offer an award maintenance service for the Local Government Industry Award 2010, as amended from time to time.
