Roadside Vegetation Management Field Day – Tammin

Date: Tuesday 29 April 2025
Time: 9:00 am–4:00 pm (Registration from 8:30 am)
Venue: Town Hall, Shire of Tammin, WA, 6409

Overview

The aims of the field day:

- Introduce and test WALGA's new Roadside Vegetation Management training module.
- Provide an opportunity for DWER to present Local Government case studies about the types of information required to demonstrate avoidance, impact minimisation and mitigation measures, and offsets.
- Provide information for Local Governments on the management of bushfire risk and threatened species.
- Provide case studies about Local Government approaches to roadside vegetation management.
- A site visit to an upcoming road upgrade project where avoidance, mitigation and offsets will be discussed.
